

GOTTA KNOCK A LITTLE HARDER

YOKO KANNO

This Transcription is a rough guide. I have identified the chords in each section, but the rhythm is a responsibility that the performer should "feel". The form is not exactly as laid out below, but each section is accounted for. Feel free to add/remove embellishing tones, chord/non-chord tones, and colour where necessary (Lots of add2, add4, omit 3, etc). Mind the clefs!
